A CHILD'S CHOICE

Child Abuse Prevention Curriculum Overview

Establishing Safe Boundaries and Healthy Responses

Featuring
Ella the Goldendoodle

Overview

A Child's Choice is an age-appropriate child abuse prevention curriculum for K–5th grade students. The content is interactive and builds on skills learned in previous years through stories, discussions, and activities that teach children what boundaries are, how to establish them, and healthy responses when boundaries have been crossed.

Addresses the digital landscape of minors in age-appropriate ways.

Learning Objectives

- Understand appropriate vs. inappropriate touch
- Recognize uncomfortable feelings and speak up
- Learn how to say NO and get away from unsafe situations
- Identify safe adults to tell
- Respect personal boundaries and body safety
- Provide teacher-friendly, easy-to-facilitate lessons
- Focus on safety rather than sexuality
